Texas Husky Rescue would like to invite you to be a part of our 3rd annual golf tournament on Friday, September 20, 2013 at Coyote Ridge Golf Club! This is a great opportunity to gain valuable exposure for your business while supporting a very worthwhile cause – saving the lives of huskies in need.

Texas Husky Rescue was established in May 2009 to help save homeless, abused and neglected huskies and adopt them in to permanent and loving forever homes. TXHR is a non-profit 501(c)3 organization run entirely by volunteers with no paid staff or shelter. We rely on our network of foster families to give temporary homes to huskies until their permanent home is found. TXHR provides necessary vetting and medical care and we are a responsible animal rescue agency in that we spay/neuter every husky prior to adoption. We are proud to have saved over 600 huskies since our inception!

How can you help?

1. *Become an official sponsor.* Our sponsorship packages are attached for your review.
2. *Donate an auction item or raffle prize* – no item is too big or too small.
3. *Register to play* – and invite your family, friends and co-workers to play!

We hope you will join us by sponsoring, donating or playing in our tournament. You'll have a fabulous time all while making a direct impact on the lives of huskies that desperately need it. All of us at TXHR thank you in advance for your consideration and support.

Sincerely,

Patty Chavez

Where will your sponsorship money go?

The Colonel Courageous Fund

My story is not a happy one. But because of me, more huskies in need are getting a second chance at life.

Animal Services first came to my rescue when they removed me and my siblings from a very neglectful and abusive home. Our owners did not love us, they did not feed us or give us water, did not bathe us or get us the medical attention that we so obviously needed. We were moved to a shelter where I was scared and very sick but was always kind and so happy to be getting fed daily. Sadly, one of my sisters died while we were at the shelter because her condition was so bad.

In October of 2010, Texas Husky Rescue arranged for me to be moved from the Austin area to North Texas where I had a foster home waiting for me. It turned out I had such a severe case of mange, that it had taken over my entire body and completely depleted my immune system. I had open sores that had developed staph infection, heartworm disease, and was so severely malnourished that you could literally see every bone in my body.

Despite the shape I was in, my foster mom doted on me, told me how handsome I was and gave me love. She even slept in my room to make sure I was comfortable. I gave her a few kisses and wagged my tail so she would know how thankful I was. I had never felt love like that before and for the first time, I had a Mom, not just an owner. Sadly, my body was too weak to handle all the infection and I passed away at home with my Mom and her sister. I was so lucky to spend my last few days in a home where I was taken care of and knew what it was like to be loved.

Because this experience had such a profound effect on all of us at Texas Husky Rescue, we started a special fund in the Colonel's honor. This fund is used to help rescue and rehabilitate other huskies like The Colonel that have special needs due to extreme abuse and neglect.

We are still saddened by the loss of Colonel Courageous but find comfort knowing he felt love in his final days and is now resting peacefully.
