Texas Husky Rescue, Inc. was established in May 2009 to rescue and rehabilitate homeless, abused and neglected huskies in North Texas. We are a non-profit 501(c)3 organization run entirely by volunteers and with no shelter or paid staff. We rely on volunteer foster families to provide temporary homes until permanent, qualified, loving ones can be found. We provide necessary vetting and medical care and are a responsible animal adoption agency in that we spay/neuter all of our dogs prior to adoption. Our work is supported by and dependent on tax deductible contributions made by individuals, companies, organizations and grants. We are proud to have saved over 650 huskies since our inception!
